State Officer

Raipur Development Authority (RDA), Raipur

Subject: Request for Payment Gateway Test Tool Kit

Respected Sir/Madam,

We, from the National Informatics Centre (NIC), are in the process of developing an Asset Management Web Application for Raipur Development Authority. As part of this application, a Payment Gateway module is required to enable secure receipt of payments from end users.

In order to facilitate seamless and reliable online transactions, we kindly request the issuance of the **Payment Gateway Test Tool Kit**. This tool kit is essential for integrating the payment gateway with our application/portal, ensuring compliance with banking standards and providing a secure transaction experience for citizens.

We request you to kindly process our application at the earliest and provide us with the necessary documentation, credentials, and technical support required for integration.

Thanking you,

Date: 09-04-2026

Yours faithfully,

Tuman Lal Sahu

(Senior Software Engineer, NIC Raipur)
